Hi Xiangyu,

Andy sent me about 4 emails having to do with this case, and a hard copy of the checklist form compliance analysis. The emails included your draft penalty justification.

Andy said he had not signed off on the penalty justification, so I think that is my first step.

I'm going to be on vacation from 4/8-4/25 and propose that I turn to this when I get back. Sound okay? I'd like to get AK Gold wrapped up before I go.

Hi Shirin,

Did Andy forward you the compliance analysis and the draft penalty justification memo? Andy already drafted a prefilling letter for this case.

Let me know if there's anything time critical going on with this. Otherwise, maybe Xiangyu can set up a meeting time with me to fill me in on what I need to know?

Thanks!

Andy just got two new huge RCRA/CERCLA cases from Mary Q, so Shirin has graciously agreed to take this case on.
